

Curriculum Vitae: Professor emeritus dr. scient. Johannes Krüger

Department of Geosciences and Natural Resource Management, University of Copenhagen,
Øster Voldgade 10, DK-1350 Copenhagen K.
Phone: +45 35 32 25 00, MOB: +45292556, e-mail: jk@geo.ku.dk
Born: April 27, 1941, Sønderborg, Denmark.

Education and university degrees

M.Sc. in geography and geology, University of Copenhagen (UC) (first class with distinction) 1969.
Dr.Sc. (Habilitation) in glacial geomorphology and sedimentology, UC, 1994.

Scientific diploma

Hans Egede Medal award, the Royal Danish Geographical Society, 1996.

Employment

Assistant professor, Department of Geography, UC. 1970-1974.
Associate professor in geomorphology, Department of Geography, UC. 1974-2002.
Evaluated full professor-competent, UC, 1996.
Professor in glacial geomorphology, Department of Geography and Geology, UC 2002-2008.
Professor emeritus, Department of Geosciences and Natural Resource Management, UC since 2009

Research interests:

Research on the climate-processes-sediments-landforms interactions in modern glacial environments – past and present with study areas in Iceland, Greenland, and Svalbard - and comparative studies in palaeo-glaciated regions in Denmark.

Administration within university environments (selected)

Chairman of the Study Board, Department of Geography, 1977-78, 1981-83, 1986-88.
Chairman of the Ph.D. Study Committee, Department of Geography, 1996-99, 2002-03.
Vice-chairman of the PhD Study Board at the Faculty of Science, University of Copenhagen, 1996-99.
Chairman of the PhD Study Board at the Faculty of Science, 2002-07.

Other experiences and appointments (selected)

Danish delegate, the Nordic Geo-Excursions to Iceland steering board (the Nordic Council of Ministers), 1974-91.
The scientific committee of the Danish Environmental Protection Society, 1981-88.
Secretary of the national committee for International Union for Quaternary Research (INQUA), 1987-94.
President of the national committee for INQUA, 1994-99, and member of five working groups within INQUA.
Secretary of the national committee for the International Geographical Union (IGU), 2003-07.
Evaluation panel member of the European Commission programme committee in Brussel, 1995-97.
Scientific secretary in connection with elaboration of the Research Strategy Plan 2002-06. Ministry of Research.
Member of the advisory board - the Norwegian Scientific Research Council, 2002-05.
Adviser to the National Forest and Nature Agency, Ministry of Environment.
Member of the Royal Danish Geographical Society advisory board, since 2004.
Evaluation panel member – the Swedish Scientific Research Council, 2007.
Member of CLEXIT (climate exit) since 2015.

Consultant and editorial work (selected)

Author, advisor, and guest editor to the publisher Gyldendal, Denmark, 1985-2015.
Editor in chief. The Danish Journal of Geography. 2004-07.
Book editor and author. The Mýrdalsjökull Ice Cap, Iceland: Glacial Processes, Sediments and Landforms on an Active Volcano. ELSEVIER. Since 2006-2010.
Feature writer and lecturer in great request.
The author of the book Klimamyten – et opgør med tidens CO₂-panik. (People'sPress 2016)
